

**ATTENTION LOCAL BUSINESS OPERATORS**  
**Symphony of Australia Concert**  
**Discounted Ticket and Partnership Package**

Dear Local Business Owners and Managers,

The Symphony of Australia is a remarkable concert event that is coming to town on the June long weekend 2015.

This distinctive event celebrates Australiana culture through the fusion of iconic bush poetry, orchestral composition, and soaring vocals from international opera stars.

This will be an extraordinary and completely unique event, and one where you can obtain promotional benefits for your business, simply by purchasing discounted tickets.

As a special introductory offer, we are offering local businesses a package deal whereby the purchase of 10 tickets will entail a partnership with this concert event. This will mean an additional 2 free tickets, and also include branding and web links on the event website, signage opportunities within the event precinct, and ongoing announcements from the stage throughout the concert acknowledging our local partners.

Thousands of people are anticipated to attend the event, all going through the event website to purchase tickets, so this offer presents excellent marketing opportunities and incredible value for enterprising business operators.

Impress your clients, reward your staff, or develop your industry relationships by inviting them to this dynamic, emotive and memorable concert experience.

**Purchase 10 tickets, receive 2 more for free, plus get great sponsorship benefits**

Tickets are \$55 (+bf) each, so the total cost of this offer is \$550 (+bf).

Simply go to [www.regionalconcerts.com.au](http://www.regionalconcerts.com.au), click on the 'Get Tickets Here' link, then purchase two (2) of the 'Buy 5, Get 1 Free' package deals. When that's done you will receive an email receipt, forward that onto [steffan@mobilestageruck.com.au](mailto:steffan@mobilestageruck.com.au) and you will officially be an event partner. Your logo and web link will immediately be placed on our website, with signage and announcement benefits to be received on event night.

Please feel free to contact me directly if you have any questions about this event or this offer.

Kind regards,

Steffan Jurd
